**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the document on the attached listing. This Supplemental Information Disclosure Statement (Supplemental IDS) supplements the Information Disclosure Statements filed on November 5, 2003, January 30, 2004, December 7, 2004, and March 25, 2005. To the knowledge of the undersigned, this Supplemental IDS is being filed before the mailing date of a first Office Action on the merits in the above-referenced application.

The document listed in this Information Disclosure Statement was first cited in a Notification of the First Office Action ("Notification") from the State Intellectual Property Office of the People's Republic of China in a counterpart foreign application, and this Information Disclosure Statement is being filed within three months of the mailing date of that communication.

A copy of the listed foreign document is attached.

Applicants respectfully request that the Examiner consider the listed document and indicate that it was considered by making appropriate notations on the attached form.

In lieu of a statement of relevance or translation of the listed non-English document, an English language translation of the Notification citing this document and setting forth the relevance thereof is enclosed. A copy of the Notification is also enclosed for the Examiner's convenience. Applicants do not necessarily endorse the conclusions set forth in the Notification.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies the document as prior art against any claims in the application and Applicants determine that the cited document does not constitute "prior art" under United States law, Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of the document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
